

## Project Profile

## Cadillac Dealership | Barrington, IL

Over 10,000 sq. ft. of WrapShield SA Self-Adhered Water Resistant Vapor Permeable Air Barrier Sheet Membrane was installed in the construction of a state-of-the-art Cadillac Dealer in Barrington, IL. WrapShield SA Self-Adhered was installed over plywood substrate providing the building envelope with durable, breathable protection. Ideal for tight timelines, WrapShield SA is entirely self-adhering, does not require primers, and can be easily installed in most weather conditions. This versatility met the project's objectives and made installation efficient.
